The Pre-Election Report by Candidates must be completed by any candidate who accepts contributions that total more than \$10,000; makes loans from personal funds to the candidate's campaign totaling more than \$10,000; or makes expenditures from personal funds in support of the campaign totaling more than \$10,000 during the period beginning the 9th day before the date of an election and ending at 5 p.m. on the day before the date of an election. The report must be filed with the City Clerk no later than 5 p.m. on the first business day after each date that one or more of the above reporting thresholds are met.

Electronic Filing of ATX.7COH Data

Pursuant to City Code, the Pre-Election Report must be reported electronically using the fillable PDF form provided by the City Clerk's Office. The form should be delivered to the City Clerk's Office electronically on a flash drive. Submitting the Pre-Election Report and associated schedules as instructed fulfills the requirement to provide a structured data file. Fillable PDF forms must be received by the City Clerk in the provided format. Printed and scanned, or otherwise modified, copies of the fillable PDFs will render the data unreadable and the City Clerk will be required to reject the submitted data. Email submission of the fillable PDFs is not permitted.

Required fields are highlighted in **red** below. Failure to complete a required field will result in the data file being rejected by the City Clerk.

Per Chapter 2-2-26, the City Clerk will reject data files that do not comply with formatting and data consistency requirements. Acceptance of a paper form does not indicate acceptance of the data file. For each submitted fillable PDF, a validation report will be generated and provided to the filer within one business day, indicating acceptance or rejection of the data file.

The Pre-Election Report by Candidates/Officeholders consists of a coversheet and three individual schedules:
